

August 2011 - Team Managers Report

August has been a fairly busy month for our swimmers attending a number of meets around the suburbs.

The Wyndham & Essendon Encouragement meets. The Western Region Swimming Carnival & North West Qualifying meets and to finish it off the Winter Interclub has been run.

It's really nice to see many members competing at these meets as well as to see many yellow Mill Park shirts pool side cheering on their team mates.

At the Wyndham Encouragement meet Alyssa D'Azzena competed swimming exceptionally well in all her swims achieving PB's. Well done Alyssa! At the Essendon Encouragement meet we had a great representation from our club with 13 members competing.

A big welcome to our youngest member: Tahlya Siburian who just turned 7 and competed in all 4 strokes.

All members who competed swam PB'S, the stand out from the meet was Rebecca Traynor taking considerable time of all strokes, well done Rebecca keep up the great work. 7 y/o Bethany Dalglish collected 2 medals in her first competition and Ben Manley collected his first ever medal in the Back stroke. Jordan Chapman also collecting 2 medals taking home the Gold in the 50 Fly.

Congratulations to all the members who competed and keep up the great work!

Craig Chapman
